Board Asks \$542,000  
For Expansion Program

At the School Committee meeting held on Tuesday evening, the budget for new school construction and survey was completed and forwarded to the Finance Committee. The proposed budget calls for an expenditure of \$542,000 by the Town, to be voted on at the annual Town Meeting in March.

The largest expenditure in the budget is a request for an addition to Junior High West. It is estimated that this construction will cost about \$315,000. It will include additions to the cafeteria and kitchen, a teacher's lunch room, home economics room, five classrooms, library and four toilets.

\$170,000 is being asked to be expended for an addition to the Bishop school.

Hall pointed out that any funds left over after the preliminary surveys and architectural work is completed will be applied to the actual construction of that particular school building for which the funds are designated.

## Seek Playground Area

An additional \$15,000 is being requested to provide for the survey, grading and surfacing of the playground at Junior High West.

Appearing at the meeting was A. Henry Ottoson, principal of Junior High West. He explained to the committee the need for the additional facilities at that school.

## Want Parmenter Addition

Also heard were representatives of the Russell school parent's group. They requested that the School Committee make the Russell problem number one on the School Department's articles in the Town Meeting Warrant.

Mrs. Spengler and Mr. Doherty of the Parmenter Parent-Teachers Association spoke at the meeting. They told those present that their group is insistent that their school be added facilities at the Parmenter school in the Warrant.

## Survey For Three Schools

Other funds requested include \$15,000 for the survey, working plans and start of construction on a new school in the North Union street area; \$12,000 to secure plans and construction estimates for the new Russell school and \$15,000 to secure plans and construction estimates for a new school adjacent to the Florence avenue playground.

## Town's Share Is Smaller

What Town Manager Edward C. Monahan called a "brief look" at the so-called "cherry" sheets, issued by the State Tax Commission, shows that Arlington will receive a "net loss" of \$18,961.93 in receipts over 1953 from kick-backs from the State.

While the Commission's report received acclaim in the metropolitan papers that cities and towns will receive \$70,000,000 from corporation and income taxes, four million more than last year, Arlington will receive less.

Because the kick-back is less locally, the Manager's proposed budget which was to have reduced local taxes by \$3.50 has received a 27 cent set-back.

Briefly State assessments on the Town for 1954 for the MTA deficit, MDC contributions, etc., will total \$616,225.37—up \$40,159 over 1953.

The Town's share of the State's distribution back to com-

Mothers' March  
Is Huge Success

Last Thursday evening, in one hour, the people of Arlington contributed \$9012.76 to the famous Mothers' March on Polio. This figure represents the largest total ever realized by that phase of the Arlington March of Dimes.

This unparalleled success was achieved through the cooperation of many civic benefactors. Town newspapers heralded the coming of the March.

At exactly 7 p.m. on the designated night Police patrol cars, loudspeakers, church bells, and Fire Dept. horns simultaneously signalled its start.

As Civil Defense short-wave radio "hams" co-ordinated and integrated the work of one of whose preparation requires many months, scores of Auxiliary Policemen patrolled our streets and performed the countless tasks necessary.

The Arlington March of Dimes Committee has asked that its "utmost gratitude" be conveyed for their unstinted aid in the fight against Polio to: Chief Archie F. Bullock and the Police Dept.; to Civil Defense Director Dan McFadden, Ass't CD Radio Net Director Al Davidson and his co-workers; to Arlington newspaper editors; to church pastors; to Chief Richard J. Tierney and the Fire Dept.; to Jack Podguz and his

School Superintendent  
To Confer With  
State Aid Official

A building needs conference has been arranged by Superintendent of Schools Hall with John Marshall, executive secretary of the State School Building Assistance Commission to find out how much state assistance Arlington can hope to receive on new school construction this year.

## 28% Reimbursement

The town has been reimbursed in the past for state approved school construction, usually to about 28% of the total cost.

## Receive \$1,000

This week the town received \$1,000 reimbursement from the state for partial cost of the Harvard Survey. The survey was recommended by state officials.

The reimbursement brings the survey cost to Arlington down to \$4,000.

Juvenile Rate  
Lowest Here

Arlington has the lowest juvenile delinquency rate of any community of comparable size. This is according to latest reports of the F.B.I. Police Chief Archie Bullock reports.

According to Bullock there are about 6,000 boys and girls in Arlington under 17 years of age. Of these only 155 became entangled with the law last year. Of that number 42 reside out of town. Only 33 of the 155 were brought into court.

Chief Bullock formed the local juvenile department in 1933. Since that time one officer devotes full time to juvenile problems. Inspector William F. White is currently in charge. The Chief gives White high praise as well as the many local civic and service clubs.

REPUBLICAN CONFAB—Republican leaders got together this week for a conference on local party affairs. Pictured here are Representative Hollis M. Gott; Elmer C. Nelson, chairman of the State Republican Committee; Arlington Selectman Marcus L. Sorenson and Arthur W. Sampson, chairman of the Arlington Republican Committee.

Harold N. Anderson was elected vice chairman of the Republican Town Committee last Thursday at a meeting held at the Old Mill.

Elected by ballot to the Committee from the associate membership are Mrs. Hallam T. Ring and William S. Patterson.

Others nominated included Kenneth Joel, Mrs. Bowen Tufts, Mrs. G. Edward Wilkins and Mrs. Carol Thomas (the latter from the floor).

The nominating committee included James W. Kidder, Mrs. Minerva Farrow and Gayle W. Forbush.

Speaker of the evening was Elmer Nelson, chairman of the State Republican Committee. He outlined to the group a plan whereby the 2,660,000 voters of the State can be solicited.

'Wraps Off' On Defense  
Of Town Versus Route 3Rep. Gott Acts  
On Dump Bill

Quick action by Rep. Hollis M. Gott prevented the passage of a bill which would have blocked the completion of the local dump off Summer st.

This was revealed by Town Manager Monahan this week. He said Gott had called him for his views, that the bill was up for its third reading. Gott followed the phone call with a letter enclosing the bill.

Called "Bad Bill"

The Manager told Gott that House Bill 2316 was a "bad bill for Arlington".

The bill provided that no dump could be established within 300 feet of a house; that any "aggrieved" person could protest before a state board.

Re-Committed

Monahan objected to these provisions and called the bill "another encroachment on home rule".

Rep. Gott succeeded in getting the bill sent back to the committee.

The bill was designed primarily for Cambridge, not the State as a whole, the Manager said.

Club Women  
Ask Amendment

Last Saturday Rep. Hollis M. Gott presented the petition sponsored by the Arlington Woman's Club, which provides for a legislative amendment to the Constitution allowing absent voting by qualified voters who become inhabitants of another state, to a Legislative Committee hearing at the State House.

Gott introduced Mrs. John K. Berry Jr., president of the Arlington Woman's Club, who spoke briefly on the merits of the petition and stated that the Arlington Woman's Club voted unanimously in favor of this petition.

Mrs. Hollis M. Gott, chairman, legislation and citizen training explained in detail the circumstances surrounding and need of said petition.

Council Officers  
Are Rebuked

The president and secretary of the P.T.A. Council were under sharp rebuke this week from School Committeewoman Mary K. Boyd.

Mrs. Boyd said she had "never witnessed such procedure as took place" at last week's meeting. She called the Council "woefully misguided."

Firefighters Ask  
Equal Police PayWill Call Special  
Town Meeting

The upper echelon of the Fire Department will seek pay raises during the annual Town Meeting in March. They contend that their counterpart officers on the Police force are getting from \$267 to \$436.50 per year more in salary.

Since the annual warrant was closed in January, the procedure will be to present a petition for a special Town Meeting to run concurrently with the Annual Meeting. A separate warrant for the Special meeting will be issued by the Selectmen if the necessary 200-signature petition is filed, it is understood.

Will Cost \$6,957

The boost would affect 22 men.

The total increase to eight lieutenants would be \$2,136 (\$267 apiece); ten captains, \$3,075; four deputy chiefs, \$1,746 (\$436.50 per man).

This week Town Manager Edward C. Monahan said the firemen had an "excellent beef".

How It Started

It all started at the 1953 annual Town Meeting. Threatened with a \$60 tax rate, the Meeting was economy minded. Appeals for pay boosts in various classifications, it is recalled, were voted down in article after article with great speed, particularly after the first few were denied.

When the proposed raise for police sergeants was reached, one member took the floor and made an eloquent plea for these men who he called "the nighttime chiefs". The article passed.

#### CHURCHES OF CHRIST SCIENTIST

The wholly spiritual nature of effective prayer which overcomes sin, sickness, and sorrow, will be set forth at Christian Science services this Sunday.

Selections from the Authorized King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy comprise the Lesson-Sermon entitled "Spirit." Scriptural texts include the following words of Christ Jesus from John:

"The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. God is a Spirit: and they that worship him must worship him in spirit and truth" (4:23 the, 24).

The following correlative citation from Science and Health by Mrs. Eddy will also be read: "To enter into the heart of prayer, the door of the erring senses must be closed. Lips must be mute and materialism silent, that many may have audience with Spirit, the divine Principle, Love, which destroys all error" (15:9).

#### FIRST BAPTIST NOTES

Beginning Sunday, Feb. 7, the First Baptist church will engage in a home visitation program of Evangelism.

Gordon Sanders is chairman of the campaign committee, and Rev. Howard Joslyn, director of Evangelism for the Massachusetts Baptist Convention, will direct the campaign.

Rev. Joslyn will be the guest speaker at the Sunday morning worship service and will also speak to the Men's Class at noon.

At 7:30 p.m. the captains and visitors will meet at the church for an important training session, conducted by Mr. Joslyn.

On Monday, Tuesday, Wednesday and Thursday evenings, Feb. 8, 9, 10 and 11, supper meetings are to be held at the church at 6:30 p.m. These meetings are for further training and inspiration, and at the close of each meeting the visitors will go out by two's to visit prospective members. A large number of our Church members are giving their time to this important Christian service.

#### HEIGHTS STUDY CLUB

The Arlington Heights Study Club gathered on Tuesday afternoon, Jan. 26, at the home of Mrs. Peter Bertocci to hear an informative and inspiring paper on the city of Salzburg, Austria.

Mrs. E. E. Mariner, president of the club, opened the meeting with an invocation, following which she read several poems written by William Stanley Braithwaite, Arlington lyric poet who formerly lived in the very house where the meeting was held.

Mrs. J. Franklin Biggs introduced the speaker of the afternoon, Mrs. Raymond Young, who painted a vivid word picture of the Music Festival City. Mrs. Young gave the historical and cultural background of this Alpine center, and pointed out its many and lasting contributions to the world of art and music.

Hostesses in charge of refreshments were Mrs. Waldo Edwards and Mrs. Clifford Dumble.

The next meeting of the Heights Study Club will be held on Tuesday, Feb. 9, at the home of Mrs. Verne Q. Powell, 55 Claremont ave. Mrs. Arthur M. Moore, a graduate of the Boston School of Fine Arts, will give a demonstrated talk on the art of Air Brush Painting. Mrs. Moore is a versatile artist whose work was recently exhibited at Sturbridge Village.

There will also be an exhibition of her pictures for the members.

Preceding the talk, there will be a brief piano recital of Chopin compositions by Ruth Mariner. Hostesses for the afternoon will be Mrs. Herbert Snow and Mrs. J. Franklin Biggs.

## Red and Gray Jottings

by Janet Kirchbaum

The basketball team scored its first win of the season by defeating Cambridge High and Latin, 75-58, Tuesday afternoon, Jan. 26. The team scored a successive victory when they again defeated Cambridge Latin, 48-40, Friday night. The A.H.S. team will play Waltham Friday here at 3 p.m. and North Quincy here at 3 p.m. on Tuesday.

Tomorrow is the last day that seniors may order yearbooks from their home room representatives. The book costs \$4.50 this year.

The track team scored 26 points in the annual Indoor State Meet Saturday afternoon to win the Class B competition. Those schools placing in 2nd, 3rd and 4th places respectively were Dedham, 16 points; Cambridge Latin, 12 points; and Malden Catholic, 11 points. All of these schools had been favored over Arlington. "Moose" Muello placed 3rd in the 300-yard run; Billy LaBelle, captain, won the 600-yard run; Robert McSorley won the 1000-yard run; Carl Freyer placed 2nd and Walter Gately 4th in the hurdles; Don Seager won the final of the 50-yard dash; and the Red and Gray relay team, John Murphy, Billy LaBelle, "Moose" Muello and Robert McSorley won that event. For winning the Class B title the team has been awarded the Alfred W. Dickinson Trophy by the Secondary School Principals' Association. A.H.S. and Somerville will have a meet at the East Newton Street Armory Saturday afternoon.

The Chess Team lost its tournament with Boston Latin, 6-4, last Friday. The A.H.S. team will play Roxbury tomorrow here.

On Tuesday, Jan. 26, the Girls' Basketball 1st team defeated Somerville, 42-28. The 2nd team also won its game, 35-34. The A.H.S. team defeated Cambridge High and Latin, 74-50, last Saturday.

The senior class meeting held last Thursday morning was dismissed after no decision was made as to how the more than \$160, which was the profit from the Junior Prom held by the class last May, be used. A meeting will be called within a few weeks to discuss the matter further.

In the playoffs Saturday afternoon, the hockey team tied Rindge, 2-2. The next round of the Playoffs will be held at the Boston Arena at 2 p.m. Friday.

The examinations for the Driver Education Course will be given on Feb. 15 and 16.

An open house at Kathleen Dell for girls interested in attending that school was held yesterday afternoon from 2-4.

Subscriptions for "Newsweek" may now be obtained from Mr. Johnson, \$1 for 17 weeks.

## New Coach Heads Matignon Title Bid

Matington High School authorities, in determined contention for C.Y.O. Division II championship, announced at a meeting of the Knights of Matignon, the father's club, that Mike Azzane of Belmont will be the new coach of the undefeated Matignon ten.

Azzane, now teaching at Woburn, was the Chelsea High basketball and baseball captain before entering Northeastern where he has a record of three years of varsity baseball and also captain of the basketball team. Next he saw service on the Dartmouth baseball varsity.

Called in the service in 1944 he played on the Bainbridge Naval Training Base 5th Naval District championship team in company with 14 other major leaguers. Later he was a member of the Camp Shelton "Virginia Service Champions". In 1946 Azzane coached basketball at Wellingford High school in Vermont. In two years he built up his team to league champions the year after his departure.

Azzane saw service with Scranton of the Eastern League then to Fall River of the New England League. He then joined the Northern League with the Rutland Royals and finished his Minor League Baseball in the Canadian Provincial League.

Last year Mike coached Warren High School to the semi-finals of the Small Schools Tournament.

At Matignon, contrary to original plans, because of his baseball background, Mike was appointed coach of both basketball and baseball. In basketball he comes to a winning club and one which former coach John Sheehan predicted would go a long way.

Lamb Curry Is Glamorized With Pineapple Tidbits in Rice Ring

Salted almonds and coconut are delicious accompaniments.

Impart an Oriental touch to left-over lamb with a dash of curry powder. Remove meat from the bones, cut it into fairly large-sized pieces and combine with curry sauce, surrounded with a ring of rice, glamorized with pineapple tidbits.

The more condiments the merrier at a curry dinner. Chutney is considered indispensable in curry-eating circles. Other suggested condiments are shredded coconut, salted pecans, or salted peanuts, and diced bananas.

PINEAPPLE LAMB CURRY

- 2 lbs. lean lamb shoulder
- 1 cup shortening
- 1 tsp. salt
- 1 bay leaf
- 4 whole black peppercorns
- 2 small onions, sliced
- 1 cup chopped parsley
- 1/2 cup flour
- 1/2 cup curry powder
- 2 cups (1 qt.) water
- 1 can (No. 2) pineapple tidbits
- 1 cup hot cooked rice
- 1/4 cup melted butter or margarine

Cut meat into small cubes and brown in hot shortening. Add enough boiling water to cover meat; add seasonings, onion and parsley. Cover and cook slowly for 2 hours, or until meat is tender. Strain stock; reserve 2 cups. Mix flour and curry powder with cold water and stir into lamb stock. Cook until thickened and add meat. Heat pineapple tidbits in syrup until boiling and drain. Lightly mix rice with melted butter and pack into a well-greased ring mold about 7 inches in diameter; allow to stand a few minutes. Unmold rice onto a large platter and pour curried meat into center. Arrange pineapple tidbits in a ring, separating meat and rice. Serves 6.

Applications for the coaching job have been received from a large number of men outside the Arlington school system, but, according to Superintendent Hall, it has been the custom of the department to have their coaches also be teachers within Arlington schools. At the present time there are no teaching vacancies available.

At next Tuesday's School Committee meeting, Director of Athletics Carl E. Erickson will report on the newly approved schedule of duties for the administrative department of the school's athletic set-up.

This new schedule defines the specific duties of the Director of Athletics, the faculty manager and the treasurer of Arlington School's athletic department.

Sgt. Lorimer E. Silk, who is attached to the 61st Maintenance and Supply Squadron, recently received a letter of commendation from the commanding officer of his group.

In the letter he was commended for "outstanding performance of duty in repairing and maintaining electrical equipment in the squadron to which you are attached".

Silk received further attention for his "efficiency, dependability and initiative in the performance of his duties as a non-commissioned officer".

Sgt. Silk is the son of Mr. and Mrs. Lorimer E. Higgins of 50 Ronald rd.

### WOMAN'S CLUB

Members of the Arlington Woman's Club enjoyed an educational program last Thursday at Robbins Memorial Town Hall which was arranged and presented by Mrs. Lorimer E. Higgins, education chairman and her committee.

Thomas J. Curtin, director of civic education for the Massachusetts Department of Education, gave an instructive talk on "Education for Citizenship".

The platform was arranged to represent a public school classroom and about thirty 9th grade students were seated. James Powers, assistant principal of Junior High West conducted the class in French. The audience was afforded an opportunity to view a public school language class in action, and to appraise modern teaching methods.

Another excellent contribution by school students, was a short musical program featuring Sarah Jane Weston, soprano, and Barbara Judd, pianist, prepared under the supervision of L. Hassler Einzig, director of music of the public schools.

### New Manager Named For Grant's Store

Newly appointed as manager of the W. T. Grant Store in Arlington Center is Austin N. Wentworth, who was formerly manager of the Grant's store in Burlington, Vermont.

Wentworth said this week that he expects to move his family to Arlington in the near future and hopes to buy a suitable home here. His wife and three children: Nancy, 21, Sarah, 14, and Austin Jr., 12, are now living in Burlington.

Upon taking charge of the Arlington store, Wentworth said that he is glad to be managing a store like this one for which he can foresee a steady growth.

Former manager of the Arlington store, Edward Auciella, who was very active in local civic affairs, has been promoted by the company and is now in charge of the large Grant's store in Lynn.

REGULAR monthly meeting of the Spy Pond Rod and Reel Association will be held at 7:30 p.m. on Wednesday, Feb. 10 at the Arlington Boys' Club.

Following the business meeting a movie from the State of Maine Development Commission entitled "Main Trout Fishing" will be shown. There will be refreshments after the movie.

### OFFICERS REBUKED

(Continued from Page 1)

Dear Editor: On Tuesday evening, January 26th, the Council of Parents and Teachers held a meeting at the Junior Library Hall for the purpose of acquainting the citizenry with the candidates for school committee and their respective platforms.

Previous to this objective a regular business meeting was conducted at which time the secretary read her report of the previous meeting, after which the presiding officer asked if "there were any Errors and Corrections".

May I, through the medium of your paper say there were four grave errors and also to try to make a Correction.

The first error, and perhaps the gravest of all was MINE that I sat and did nothing while the interested civic minded persons present were subjected to the embarrassment caused through the reading of this report. In self-defense may I say that I was so stunned that I was incapable of speech.

The second error, Madam Secretary, was yours by writing and reading such a degrading report.

Third and fourth errors were yours, Madam President, for allowing it to be read and for approving it.

I am a law-abiding, peace-loving citizen who believes in the Four Freedoms of which Freedom of Speech is but one, but not to the degree where irreparable harm is done a worthwhile organization and an injustice to three fine members of it.

I have been a member of the P.T.A. for over twenty years holding many offices, including President of the local Council, and have never listened to, nor witnessed such procedure as took place at that meeting.

In defense of this organization I must say that this action is not one condoned by, nor upheld by State or National Officers, nor is it a part of good P.T.A. procedure and policy.

I have kept silent through the passing of the Fine Arts Program for the students of our town and the abolishment of our Brotherhood Program, but my conscience will not allow me to be still any longer. I am not a member of the Arlington Council now but am a member in good standing in one of its units and feel that in justice to it I must take this stand.

I feel that it is my duty to publicly apologize to those persons present and to those splendid women, who have done so much in civic projects in our town, for what they were subjected to. I realize it is small recompense but at least you know that there are those in the organization who regret exceedingly what happened.

Somewhere along the line our Council has been woefully misguided and I would like to recommend that all its officers study carefully and well their guide book of Policy and Procedure. I would also remind them that the Golden Rule is one we must live by if we are to have a real democratic form of life.

I am sending a copy of this letter to the State and National Office so that there may be no misunderstanding a letter of explanation will accompany it.

Thank you for the space allotted and regret that my letter is so long but do not see how I could have used less space.

Sincerely yours,  
Mary K. Boyd

## Hold Special Service

Fourteen young people, members of the Universalist Youth Fellowship, participated in the Youth Sunday program observed last Sunday at the Universalist church at Morning Worship. David M. Blanchard, minister to youth, delivered a sermon entitled, "Youth on the Offense".

Supplementing the music of the Senior choir, the Junior choir sang under the direction of Philip Young, organist-choir director. Mrs. William L. Norton is chairman of the Junior Choir Committee, on which Mrs. Judith A. Troike, Mrs. Douglas A. Mace and Mrs. Edgar E. Knuepfer serve.

Singing in the Junior choir are 21 church school members. They are: Deirdre Knuepfer, Dianne Johnson, Sylvia Judd, Diane Chamberlain, Kathryn Mace, Susan Oakes, William Alexander, John Troike, Janet Marchant, Margery Rix, Barbara Norton, Diane Hanson, Jean Carey, Marcia Spence, Pauline Spence, Shirley Marchant, Betty Morrissey, Robert Spence, Lyman Judd, John Francis and Robert Jones.

## Hockey Team Tied, Cagers Win

Coach Ed Burns' A.H.S. hockey team continued its tieing ways in the opening round of the G.B.I. League playoffs at the Boston Arena last Saturday afternoon.

Come From Behind  
Arlington came from behind in the final period of their game with Rindge Tech, gaining a 2-2 deadlock with the Cambridge school.

A solo by Bob Chisholm at 7:28 of the first period gave the Red and Gray skaters a 1-0 lead which they held until the third stanza.

Two Quickies  
In less than 30 seconds Rindge scored two goals as the final period started. The first tally came at 1:08 when Dick Lyons rammed a pass from Dick Verrier past Goalie Al Pitts. At 1:46, Rindge scored again on a bullet shot off the stick of Defenseman Crocker.

It was not until 8:32 of the period that Arlington was able to beat Rindge's defense to knot the score.

Bresnahan Scores  
Tom Bresnahan finished off a Jack Cadagan rush as he slapped home Cadagan's soft pass. This finished the day's scoring for both clubs.

Arlington is now on the top of the second division in the G.B.I. with a total of seven points gained from two wins and three ties.

The basketball team continued its newly found winning ways by topping Brookline last Tuesday in a rugged game at that town.

MacRoughlin and O'Connell collaborated with 22 and 19 points respectively to lead the A.H.S. hoopers to a 59-42 win.

### A.H.S. Wins Class B School Boy Track Title

Arlington scored 26 points to win the Class B title at the annual schoolboy track meet at the Boston Garden last Saturday.

Capt. Billy LaBelle successfully defended his 600-yard run title and football star Don Seager topped the class in the 50 yard dash to spark the team to victory.

Seager won his event with a five-yard burst of speed which enabled him to nose out Nat McIntyre of Chelsea.

Bob McSorley took first place in the 1,000-yard run with a time of 2:26.7. Placing in the 45-yard hurdles were Carl Freyer (2nd) and Walter Gately (4th).

Footballer Bob Muellro added to the Arlington score by taking third place in the 300-yard run and the Arlington relay team of John Murphy, Bill LaBelle, Bob McSorley and Bob Muellro finished things up by winning the relay races in a time of 2:32.1.

TUESDAY, June 8, has been set as the tentative date for the High School Graduation.

Mrs. Marion K. Peirce was in charge of reservations, and Miss Edith N. Winn was dinner chairman.

Cooperating in arrangements were Miss Katherine I. Yerrington, Mrs. Robert G. Spence, Mr. Randall G. Alexander, the Misses Luella and Ethel Butler, Mrs. Marjorie V. Shinn, Mrs. Arthur P. Wyman, Mrs. James P. Cutler and Mrs. Charles O. Francis.

Special attention was given to the fact that this was the 13th anniversary of the dedication of the present church structure, oldest church building in Arlington, it having been dedicated Jan. 20, 1841. The present strength and growth of the Parish was indicated by this anniversary meeting, youth program and parish fellowship dinner.

Next Sunday's sermon, "An Answer to—It's Later Than You Think", will be delivered by the pastor, the Rev. George J. W. Pennington.

### ROUTE 3

(Continued from Page 1)

Commissioner Volpe also wrote a letter to the Selectmen. It follows:

Board of Selectmen  
Arlington, Massachusetts  
Dear Chairman Kenney:

As agreed at a meeting held on December 30, 1953 by the Massachusetts Department of Public Works in Boston, at which time the Department's preliminary thinking for the future development of Route 3 south from Route 128 into Metropolitan Boston was discussed, I am pleased to forward herewith a digest of the remarks and comments made at that time.

Forwarded also is a photostatic reduction of a map of the general area, on which are shown three possible routes.

As explained at our meeting of December 30th, the Department is desirous of obtaining constructive suggestions and comments from local officials concerning the selection of a route which would best meet future plans for industrial and residential development, school construction, improvement of general business or such other features which require city or town planning.

It will be greatly appreciated if arrangements could be made for local planning groups, Chambers of Commerce and Boards of Trade to discuss the project to the end that the final route selection can be based on the best and most extensive information available.

In order not to unnecessarily delay further planning, it is respectfully requested that every effort be made to forward comments and suggestions to the Department as soon as possible, and in any case, not later than April 1, 1954.

Sincerely yours,  
(Signed) John A. Volpe  
Commissioner of  
Public Works  
Comm. of Mass.

### Bloodmobile Quota Set at 200 Pints

For the bloodmobile visit tomorrow, Friday, Feb. 5, at the Town Hall, a quota of 200 pints of blood has been set. Mrs. Russell T. Hamlet, chairman, reports that at the first of this week about half of this number had made appointments, with some organizations yet to be heard from.

"Giving blood is a simple procedure, hardly exciting. You do not feel heroic or noble. You will not feel the steady pulse of someone when life-saving blood plasma is administered. But just as surely as if you had extended a helping hand yourself, you are answering a call for help in time of need or emergency. You are there, when blood saves a life... if you have given."

Go to your local bloodbank tomorrow between 1-7 p.m. and give. For appointment, call AR 5-4129.

### Academy of Music Registration Week

### ASK AMENDMENT

(Continued from Page 1)

Division of Legislation, Massachusetts State Federation of Women's Clubs, stated that the executive board of the Federation would like to go on record as in favor of this legislation. All clubs contacted by her to date were strongly in favor of the petition. At the conclusion of her remarks, Senator Conte stated that he had received hundreds of letters from clubs throughout the state supporting the petition in question.

The president and representatives of the Woman's Clubs present were recognized individually. There being no opposition to the petition, the hearing closed at 11 a.m.

Those present at the hearing were Mrs. John King Berry Jr., Mrs. Gayle W. Forbush, Mrs. Christopher A. Gardner, Mrs. Hollis M. Gott, Mrs. William T. Hudson, Mrs. Einar T. Larsen, Mrs. Raymond S. Morrill, Mrs. Arthur H. Pulsford and Mrs. William C. Simpson of the Arlington Woman's Club.

RECEIVING a check for \$500 and a new Diston power saw from Edmund L. Frost, president of the Frost Insecticide Co., local distributors of Diston saws and orchard and tree surgery equipment, is Robert E. Nelson of New Salem, Mass. Looking on is D. A. Neilson, field representative of Henry Diston and Sons, Inc. Nelson is the local winner of the national \$8400 contest to find a name for this new one-man power saw.

### FIREFIGHTERS

(Continued from Page 1)

tom a police sergeant equals a fire lieutenant in authority, rank and pay. Similarly a police lieutenant equals a fire captain and a captain equals a deputy chief. (Much the same way as an army captain equals a navy lieutenant, and a colonel equals a captain, etc.—Ed.)

Out of 31 communities in Metropolitan Boston all but three, including Arlington, pay the police sergeants and fire lieutenants, and so on, exactly the same, according to published statistics.

The firefighters contend Arlington should do likewise; that the pay in the two departments should be brought into line.

### MORE ARTICLES

The maneuver of calling a Special Meeting during the Annual Meeting with a separate warrant leaves the door open for the insertion of other articles in addition to the firemen salaries.

### MOTHERS' MARCH

(Continued from Page 1)

Auxiliary Policemen; and in a special manner to the Marching Mothers and the generous people of the town "who form the very heart of the Mothers' March."

At a later date the committee will announce the 1954 grand total which it hopes and trusts will exceed that of any previous year.

### 13TH GRANDCHILD

Mr. and Mrs. August Mazzocco of 998 Massachusetts ave. are grandparents for the 13th time.

A girl, Anita Angelica, was born to Baron and Baroness Ludwig V. Kleydorff (Caroline) on New Year's day in West Englewood, N.J.

Melvin W. Willett of 61 Palmer st. was a member of the group of Westinghouse dealers who took a seven-day "Bermuda-Nassau Cruise" sponsored by the Westinghouse company.

IN THE NECK AGAIN

While communities far and wide are jumping up and down with glee at the increased kick-back of taxes to communities from the State, Arlington's neck is what they are jumping on.

[Of course, to keep the record straight, it was our money in the first place which the State gives back.]

While Arlington's share of the so-called receipts is about \$40,000 less than what it has to pay in, let's take a look at some of the other communities:

Worcester will owe \$679,000 but will receive back \$3,271,000—a plus balance of nearly \$2,600,000!

Of course, this comparison is highly unfair. Worcester is an industrial city and the corporations within its confines contribute a tremendous percentage to the corporation tax fund. But, don't forget, Arlington pays part of the "smoke inspection" fee!

However, let's take another look!

Melrose will pay in \$297,251 and will receive back \$372,491—a \$75,000 plus balance.

Winchester will pay in \$197,728 and get back \$276,341—nearly an \$80,000 credit.

Beverly must raise \$192,035 but will receive \$429,388—a credit of \$237,353.

If the reader will study the "cherry" sheet chart found in this issue, he will draw three conclusions:

a) Areas within the MTA and MDC district "get it in the neck" from a two-edged axe.

The MTA is a tough problem. It will cost local taxpayers, besides the carfares of the local rider, \$173,597 in 1954 or about \$2.50 on the tax rate. Many of us use the MTA but the price comes high.

But the MDC is something else again! For the privilege of swimming at "Sandy Beach" at Mystic Lakes and to lie in the summer in the cool, green grass (where is it?) along the Alewife Brook, we pay \$54,334.59!

b) Areas just beyond the MTA zones whose residents use the MTA in large numbers get quite a break. In fact, they get about \$9,200,000-lift. The fourteen communities, including Arlington pay the whole deficit, fixed and current. Just so we are not accused of crying in our beer too moistly, take note that the poor City of Boston, wherein hundreds of businessmen from Winchester, Wellesley and Weston make their \$30,000 per year and up, must make up 65 per cent of the MTA deficit of \$9,200,000.

c) So-called "respectable" communities such as Newton, Beverly, Fitchburg, Marlboro, which have encouraged and accepted the establishment of industry within their limits receive large tax benefits, due to greater returns from corporation taxes.

As we understand it, a responsible official from the City of Newton made the statement recently before a local group that the development of light industry in that city had contributed about \$11 to the reduction of the tax rate. So the conclusions are these:

1) The MTA we have and must live with. Our only forlorn hope is to get the "fringe" communities to help. (A big laugh goes up from Framingham, where communities pay about 68 cents per ride.)

2) As to the MDC, we can get along without it for the most part. Cut out all frills. However, we are committed to buying its fine water, also its sewerage disposal.

3) As to industry, Arlington through its Planning Board and Town Meeting members has usually opposed entry of even light manufacturing and assembly work. It is their rightful choice but the costs must be borne.

## BOY SCOUT WEEK

The nation's 3,300,000 Cub Scouts, Boy Scouts, Explorers and their adult leaders will observe the 44th anniversary of the organization during Boy Scout Week, Feb. 7 to 13.

The theme of the observance is "Forward on Liberty's Team," the current major emphasis of the movement, which seeks to produce a greater functioning manpower and provide a higher quality program for its ever-increasing boy membership.

The anniversary is to be observed by 89,000 units in all parts of the nation, its possessions and also in other parts of the world where American families reside.

A principal activity of Boy Scout Week will be paying tribute to the volunteer adult leaders of the 89,000 units for the contribution they are making to the boyhood of the nation.

"The Boy Scouts of America is one of the largest volunteer adult education or training groups of the nation," said Dr. Arthur A. Schuck, the Chief Scout Executive. "Almost 200,000 of our leaders took training courses in Scouting and leadership techniques last year."

When the Boy Scouts of America was incorporated in Washington, D. C., on Feb. 8, 1910, it was founded as the voluntary movement; it still remains. Dr. Schuck said there are now 860,000 Scouters "who take time from their own careers to give service in Scouting in order to help their communities do a better job of building citizens."

Boy Scout Week is the largest annual single observance by young citizens. Since 1910 more than 21 million boys and men have been identified with Scouting, and local, state and national leaders share in observing how the program has indeed become an important element in community living.

## TO: EVERYBODY:

Let's not let the Route 3 battle become stagnant. Keep the pot boiling or else we're liable to find this "limited access" monster right in our own front yard.

A solid front in opposition to this road could sway even the State House and Mr. Volpe.

Manhole Fire  
Reveals Bad  
Leak Of Gas

A sudden flash fire in a manhole on Massachusetts ave. near Lake st. about noon Tuesday, led fire officials to the discovery of a serious underground gas leak. Had the leak remained undiscovered for much longer, it is possible that a series of manhole explosions could have taken place, said authorities.

## Man Burned

The fire broke out while a telephone company repair crew was working in the manhole on Lake st. A Medford man, who was with the crew, was the only person injured when the fire singed his eyebrows and burned his face slightly.

Charles Lowthres was in the hole working when he noticed blue flames rolling toward him along the cable ducts. He grabbed a canvas cloth and protected himself while climbing out. He said he had not been smoking or using spark producing tools.

## Fed By Gas

It took the fire department about 15 minutes to extinguish the blaze which was being constantly fed by the leaking gas.

In an investigation, conducted by Deputy Chief Charles Flynn, it was discovered that the gas was leaking into an underground main at Massachusetts ave. and Amsten st.

## Open Covers

Upon making this discovery, the fire department ordered all manhole covers opened between Amsten st. and Lake st. to prevent a possible blowup of this series of covers.

Store proprietors along the avenue were notified to shut off oil burners and instructed to refrain from lighting matches.

## That Man About Town

By MAT

We've been standing aside on the Route 3 controversy. The "boss" has been doing quite a job of swinging with both hands editorially and we don't choose to get in the way!

He is a fairly mild fellow but stand aside when he gets mad.

We hear that Selectman Marcur L. Sorensen took off on Rt. 3 at the Republican Town Committee meeting. State Chairman Nelson had nothing but lame answers, we are told.

Sorensen was joined by Caesar Fiorenza, too, who as an "East-ender" showed his fairness in adding his protest to the proposed devastation of Morningside.

Early predictions are that there will be a light vote in the annual election. We can't go along—

The latest dope is that a Special Town Meeting will be held within and during the regular Annual Meeting. In this way the deadline for filing articles can be overcome. Chalk that one up for future use!

We haven't seen the exact plans for the Pierce athletic field at the A.H.S. but they sound good—also cheap for the results.

We'd like to hear some report from the Joint Planning Committee. They have met but are mum.

## 75 Years Ago This Week

Last Thursday's cold snap again sent crews of men scurrying to work on the newly formed ice on Spy Pond. Before long a goodly amount of ice was cut and stored. This winter has been a truly profitable one for those engaged in this business.

The evils of gossip and scandal were shown in a little play presented in the Universalist church parlor by the Universalist Society last Tuesday evening. G. W. Storer did a fine job directing the production.

Miss Nellie Hardy proved to be an accomplished pianist when she rendered dozens of different selections at an entertainment held in the Congregational church vestry on Wednesday evening.

## 50 Years Ago This Week

Recently, Mr. and Mrs. Henry Frost of Pleasant st. celebrated their 50th wedding anniversary with a party attended by well over one hundred friends, relatives and guests.

Miss Helen True, a teacher in the Russell School, gave a song recital in Wellington Hall last Tuesday evening. Her voice is fine and mature and her selection of numbers left nothing to be desired.

This has been a most extraordinary winter! One day will be warm and spring-like, the next is frigid and wintry. A person never knows what clothes to wear when he leaves home in the morning.

At the end of 1943, Arlington had over \$400,000 surplus revenue, says Town Treasurer J. Wilbert Anderson in a report given this week.

Edmund L. Frost, chairman of the Arlington Red Cross War Fund, announced last Wednesday that this town's quota has been set at \$24,000. This is twice last year's quota.

Despite the excellent job Kenny Wells, 15-year-old A.H.S. sophomore did in his first start in the goal, the High School hockey team went down to a 3 to 1 defeat at the hands of Melrose in last weekend's game at the Boston Arena.

It has been learned that the A&P company has purchased the John Wiggins property at 1447 Massachusetts ave. with the intention of putting a modern, new supermarket in on this site.

Many letters have been received by authorities in protest to the planned discontinuance of the Fine Arts Program in Arlington. It is developing into a very controversial issue in local P.T.A. affairs.

The first of many political rallies sponsored by local civic groups will take place at the Junior High East in two weeks. The Committee of Citizens for Town Manager is the sponsor.

FIRST BAPTIST CHURCH  
MEN'S CLASS

Next Sunday, the Men's Class of the First Baptist church will hear Rev. Joslyn, New England Regional Director of Evangelism for the American Baptist Home Mission Society.

Rev. Joslyn has been well known for several years for his evangelical work in New England. He was appointed director of evangelism at the Massachusetts Baptist Convention on Nov. 1, 1953.

All interested men are cordially invited to attend this meeting.

The annual Valentine banquet, sponsored by the Men's Class and the Women's Fellowship, will be held Tuesday, February 16.

## Behind the Business Scene

— by Reynolds Knight —

Chalk up one score for the business optimists. These are the observers who forecast that declining demand for hard goods—automobiles and appliances—would largely be offset by purchases of soft goods—men's and women's apparel, household linen and the like.

In the most recent week for which Federal Reserve Board figures are available, New York City department store sales were up 10 per cent from the level of a year earlier.

In Philadelphia the increase was 5 per cent. In Los Angeles, apparel departments showed gains, but they were not sufficient to offset declines in sales of durable wares, and thus total sales declined. In Detroit, naturally, soft goods volume followed hard goods down, because of the large part automobile payrolls play in all business volume there.

Because they include day-to-day necessities, soft goods sales never fall as fast or as far as those of durable articles, whose purchases may be deferred. Similarly, they do not rise as fast in good times. Therefore it is unreasonable to expect that soft goods sales can fill in for hard goods sales for more than a few months. Even so, it helps. Perhaps a few months will see hard goods eagerly sought again.

GLITTER FOR JEEPS—For the first time, civilian Jeeps are going to market in vivid hues and sparkling two-tone color combinations that give the famous four-wheel-drive workhorse the attention value of a new Easter bonnet.

Jeeps with paint jobs ranging from cerulean blue to satin yellow were among the vehicles unveiled at recent previews for dealers. Edgar F. Kaiser, president of Willys Motors, Inc., maker of Jeeps, said:

"There is no reason why the Jeep, now in thousands of American households, should remain the drab member of the family. The public demands dramatic color combinations in passenger cars, and we are making the Jeeps just as pretty."

The chromatic Jeeps will not become standard in the 1954 Willys line until the public has expressed a definite sales reaction. If this reaction is favorable, they can go into the standard line overnight.

THINGS TO COME—Facial tissues for children come in nursery-rhyme cutout boxes . . . A Maryland company claims to have solved the problem of bonding new cement coatings to old ones chemically . . . A slightly stupid digital computer has been tailored to solve simple questions at less cost than the giant brains . . . A cast aluminum griddle has a special satin finish said to keep broiled food from sticking to it . . . Paint is packed into a roller with a design inscribed on it, for rolling one's own imitation wallpaper designs onto walls.

FEWER BERTHS FOR TROOPS—America's privately owned merchant fleet remained about the same size last year as in 1952, despite a serious decline in United States overseas trade and a rise in foreign competition, declares the American Merchant Marine Institute. There were 806 dry-cargo and passenger ships as the year ended, 17 fewer than in 1952.

One glaring deficiency noted is the lack of passenger ships. Only 42 passenger liners were in service, compared with 123 in 1939. The active passenger fleet—all told—can carry 12,700 travelers at a single trip, and 1700 of this capacity is in one vessel, the superliner United States.

Failure to keep pace with other nations, says the annual research report of the Institute, leaves this country without adequate passenger accommodation for overseas travelers, and short of potential troop transports for conversion in wartime. Most important, eight of every ten ships this nation possesses must be replaced within the next nine years.

MORE BONDS COMING—This year, for the first time, corporations will have to pay before June 30, 90 per cent of the taxes owed on the previous year's earnings. In preparation for these accelerated payments, they have purchased \$5,900,000,000 of tax anticipation warrants. These are short-term Treasury notes which may be handed over in place of cash.

At the same time Secretary Humphrey's 30-year 3 1/4 per cent notes issued last spring, once jeered at as the Humphrey Dumpties, have recovered in price until they command \$1060 for a thousand-dollar bond.

Wall Street believes an issue of 30-year 3 per cents, which would sell at par, may be forthcoming this spring. Such an issue would drain off much of the idle money which has been pressing down on interest rates since mid-summer. It would also ease Secretary Humphrey's mind a little regarding the huge short-term debt.

BITS O' BUSINESS—While petroleum production has declined 10 per cent of capacity from year-ago levels, gasoline stocks are up nearly 15 per cent . . . Business failures in December were up to 813 from 583 in December, 1952. Liabilities were nearly double the earlier total . . . New York Stock Exchange member firms began last Monday to sell stocks on the installment plan for as little as \$40 a month . . . Pittsburgh voted a one per cent wage tax on all payrolls in the city, to raise \$6.2 million a year.

## PLEASANT STREET NOTES

A large number of women were present in the church vestry on Monday afternoon for a regular meeting of the Anna Bradshaw Guild. The Church-chill Group were tea hostesses during the social hour which preceded the business meeting at which Mrs. Andrew A. Magnus, Guild president, presided. Devotions were led by Mrs. Ralph F. Tuller of the Gardner Group. Speaker of the afternoon was the Rev. Henry R. Rust, national secretary for young people's work of the Congregational Christian churches and a member of the Pleasant Street Church, who discussed various aspects of the national program for Congregational youth, including Pilgrim Fellowship groups, summer conferences and leadership training projects. The Pleasant Street Church is very fortunate in having the Rev. Rust serving as advisor to its Junior High Pilgrim Fellowship.

On Tuesday evening the Gardner Group met at the home of Mrs. John Parker, 35 Jason st., with Mrs. Thomas Stotler and Mrs. Leslie Fishel Jr. as co-hostesses.

The home of the Henry Rusts on Pelham Terrace was the scene of a buffet supper on Wednesday evening, when members of the Church School Staff gathered for their monthly conference meeting.

The Canvass Committee will meet in the kindergarten room this evening at 7:45 o'clock.

The first meeting of the Executive Committee since the election of new committee chairmen following the Annual Meeting of the Church will be held this evening in the church vestry, with chairman James W. Daily presiding. A committee appointed at the 1933 Annual Meeting to revise the Church By-Laws will bring in its first report.

This evening's choir rehearsal will be held at the home of Miss Gratia Eagleson, of 19 Maple st.

# Students Salute Teacher; Doctorate Study Planned

Friday, Jan. 29, was declared "JRP Day" by Principal A. Henry Ottosen to mark the departure of his assistant, James R. Powers, who left to pursue further studies for his doctorate at Harvard.

At each of the lunch periods Mr. Powers bade farewell to the pupils; admonishing them to do their best in school, to honor their parents and teachers, and asking them sometimes to say a little prayer for him just as he would remember them in his.

Then, not to be outdone by the teachers of the West who on Monday had presented "JRP" with a handsome pen and pencil set, the students of various classes planned their own surprises.

First of these was a gift from the English class in the form of a reference book which will prove a valuable addition to his library.

Next came the French class, 9 L, which had come through the day before like real trouperes by presenting a demonstration before the Arlington Women's Club in the Town Hall. It had been planned to reward them but they took matters into their own hands. There is a French saying "Partir, c'est mourir un peu" (to part is to die a little) and for 9 L this "Last Lesson in French . . . with JRP" was just that.

Using the Tri-couleur of France they transformed the multi-purpose room into a party scene, this time the Home Economics dept. being well represented by the delicious cake and cookies surrounding a centerpiece . . . a cake bearing the

inscription "Au Revoir JRP". So that the teacher, now pupil, would be well equipped, the class presented him a beautiful leather bound, zippered note-book which they hope will eventually hold the "thesis". The "Day" was nearly over but not before the 9th Grade gave their final gift, an invitation to return in June for the Class Outing.

Then, amid "bonne chance" and "au revoir", JRP left Junior High West on his leave of absence.

### Valentines For Overseas

Arlington Advocate  
To the Editor:

Through your newspaper may I address the young people in our community?

Valentines are fun and Valentines have hearts, usually without valves, but pumping goodwill for mother, father, sister, brother and friends.

Would you like to pump some goodwill to boys and girls whom you have not seen?

Some children show their loving hearts this way.

When they buy Valentines for their family and friends each one saves out a dime or perhaps more. This money they put into plain white envelopes which they decorate with hearts and flowers. On it they might write "Valentines for friends overseas." Sometimes in school they make a beautiful Valentine box, trimming it with red and white paper. Into this box they put their envelopes filled with Valentine Dimes.

After Feb. 14 they open the envelopes and count the money. Then as they look again at the list of what Valentine Dimes will do, they decide what they want the American Friends Service Committee to buy for children overseas.

1 dime—12 glasses milk; 10 dimes—1 book; 20 dimes—a doll; 25 dimes—a swing; 50 dimes—a see-saw; 100 dimes—a jungle gym.

If you and your friends have this special kind of Valentine Box, you might give enough money for a doll. Or, if every grade in your school gives Valentine Dimes, there might be enough to buy a see-saw or a jungle gym.

How happy children overseas will be when they receive your Valentine gifts—showing what you think of them! And after all—that's what Valentine are for—isn't it?

For further information get in touch with Mrs. Ascher Shapiro, 68 Gray St.

Sincerely yours,  
Sylvia Shapiro

### Candidate Hill Cites Assessor Qualifications

To the Editor:

Dear Sir:

Inasmuch as I am a candidate for the office of assessor in the forthcoming town election, I would like to inform the voters of Arlington and the readers of your newspaper about my background, by means of this letter.

I have lived in Arlington with my family for twenty-nine years. I attended Arlington schools and graduated from Arlington High school. Upon my graduation I went to Boston University, and I am a graduate of that institution.

I served in the Army in World War II. I am also a former town meeting member from Precinct Six.

Since my graduation from Boston University I have been actively engaged in the insurance business, and I am employed as a supervisor in the Boston office of the General Accident Fire & Life Assurance Corporation. I belong to various organizations such as the American Legion Post 39 in Arlington, the Boston University Club of Boston and the Boston Junior Chamber of Commerce.

I wish to thank you for the courtesy you have extended to me by printing this letter.

Very truly yours,  
Arthur Stephen Hill

## More Departments Are Relocated

This week three more departments were moved by order of Town Manager Monahan.

The offices of the Personnel Board will be transferred from the Robbins House to the second floor of the Police Station. The space left vacant will be taken by the Building & Plumbing inspectors which were in the Town Hall, first floor, right wing.

In turn, this vacated area will be occupied by the office of the Assessors in order, it is understood, to allow room for the expansion of the offices of the Treasurer-Collector. The latter is called "extremely crowded."

P.W.D. Cleans  
The Town itself underwent an extensive cleaning job this week. Woodwork, painted walls, in offices and foyers were scrubbed with brush and sponge by Public Works Department men.

Asked if he contemplated more shifting of offices, Manager Monahan declined to comment this week.

Protests Renewed  
Protests over the loss of the large hearing room over the front door to the engineering department are being heard again. Immediately upon taking office last year, Monahan made this move.

The hearing room is now located in the basement in the office formerly occupied by the Tree Warden which is now in the Park Dept. building on Ryder st.

Recent hearings, held by the Finance Committee and the Selectmen, show the room to be too small, it is contended. On the other hand, complainants say that the main auditorium is so large that voices cannot be heard.

## PTA Group Hears School Candidates

Library Hall was filled to capacity for the January meeting of the Arlington Council of Parent-Teachers Assns. last week Tuesday. A panel discussion was the highlight of the evening, participants being seven candidates for School Committee, W. Lawrence Doherty, President of the Parent-Teacher unit, introduced the following candidates, with a brief outline of their qualifications:

Mrs. Robert Strong, Mrs. Nelson Brown, Donald Johnston, Charles R. Kent, Edwin Mockler, Leonard F. Tibbetts and Willard Slagle. Arthur F. Coughlin Jr., Frederick J. Romley and William J. O'Brien Jr. were unable to attend. Letters from these three candidates were read to the group.

Officers and delegates to the Council meeting voted:

(1) To publicly endorse articles 62-72 inclusive, appearing in the March 1954 Town Warrant. These articles pertain to requests either through the School Committee or interested groups concerning our schools.

(2) To purchase ten high fidelity Record Players—one for each unit in Parent-Teacher Association membership.

Mrs. Frederick W. Burnham and Mrs. George W. Lea were hostesses for the evening.

### SO IT GOES!

There was a time some years ago before he made his pile of dough when he would like to order steak but didn't have what that would take. So, after years of sacrifice, he now can well afford the price. But, sad to say, his joy is slight because he has no appetite.

The price you pay for quality wines and liquors is always a good investment. Check your supply occasionally and call on us for whatever you need. Prompt attention given to all orders.
